NR 4 | 25 JANUARY 2011

The forthcoming exhibition at Galerie Ra will show jewellery by Iris Tsante and vessels by Svetlana Milosevic. You are warmly invited to the opening of this show, when both artists will be present, on **Saturday, 5 February from 16-18.**

## exhibition

### Iris Tsante jewellery

05.02.11-23.03.11

Iris Tsante graduated from the Amsterdam Gerrit Rietveld Academy in 2008. Her jewellery, in which coloured pencils are often used as material, evoke associations with optimism, airiness, simplicity, innocence and delight, while at the same time conveying qualities like sensitivity and vulnerability. Her new collection of work also emanates the sheer pleasure of making it. What joy!

### Svetlana Milosevic vessels

05.02.11-23.03.11

Svetlana Milosevic graduated last year from the Fachhochschule in Pforzheim, Germany, with bowl-shaped objects comprising several layers of stone which are then milled and filed. The variations in terms of colour and structure, smooth or rough, and making the interiors of the works visible turn these objects into 'Pieces of Heaven'.
